

SONGLIST INFO

Republic of Music proudly features an 800+ Mega-Hit Songlist covering every major musical style! To choose RoM as your entertainment is to open a world of musical possibilities. The fun is in picking the *right* music for *your* celebration.

MUSIC SELECTION TIPS:

1. **Co-Create or Let Us Do Our Thing?** Do you want to give your creative input regarding song selection or do you want to leave that up to us, your highly qualified party experts? If you want to help curate the playlist, please give us a list of your Top 25 favorite songs and any of your Do Not Play songs from our list.
2. **Take advantage of our Medleys!** Our medleys consist of 2-8 songs going from one hit to another to keep your guests energized and dancing; we play only the best portion of each song (*approx. 90 secs - 2 mins each*). Medleys are generally not able to be altered but if you majorly dislike a particular song, let us know and we'll see what we can do to accommodate. Some songs may be played in entirety instead of inside the medley; please inquire. We highly recommend you incorporate some of our medleys as many contain fun surprise moments in them such as crowd interaction, streamer cannons, bubble guns, cute choreography, etc.
3. **How many songs are played in a set?** Here's an approx. breakdown:
 - a. 30 Min Set = 6-9 songs
 - b. 45 Min Set = 9-12 songs
 - c. 60 Min Set = 12-15 songs
 - d. 75 Min Set = 15-18 songs
 - e. 90 Min Set = 18-22 songs
4. **What will get played for your event?** No matter how much you or we try to predetermine exactly what we'll play during your event, we ultimately end up catering to the audience response in the moment and oftentimes change things up on the fly, all the while staying cognizant of your requests and Do Not Plays.

#staylightonourtoes #keepitorganic #weknowwhatwearedoing

We are experts in the art of partying. We know how to make your Grandpa grin, get your CEO to bust a move, inspire your typically shy best friend to jump on stage for impromptu karaoke, and to

ensure your entire dancefloor is packed all night with gushing guests exclaiming, “Where did you get the band?!”

5. **Most time-efficient option, while having some say in the music?** [Check out our sample setlists](#) from real events and let us know which one best matches up with your vibe along with any changes you’d like to see on it.
6. **Regarding Cocktail Music** – If we’re providing 1-5 musicians to play instrumental music during your cocktail reception, this ensemble will play medium tempo Jazz/Groove type music. We have an extensive repertoire of instrumental songs that are not featured on our songlist that create a festive and classy environment that allows your guests to talk and mingle. Unless there is another vision in mind, RoM needs no further direction in song selection.

FULL SONGLIST | RoM 2nd CHOICE SONGS

NOTE: List is organized alphabetically and by genre

There are certainly some jams on the following list, but here's why they're our 2nd choice:

- We replaced them with a more popular song that has a better response on the dancefloor.
- We're bored of playing it. (Hey, it happens!) But if it's *your* jam, then we'll make it *our* jam again!
- It just got lost in the shuffle 'cuz we know so many gosh-darn good songs!
