Iconic Choreography • Incredible Vocals • Imaginative Visuals

‘DCOM’—short for Disney Channel Original Movie—is a fan-coined acronym that is instantly recognizable as a hallmark of 2000s Disney Channel culture. This golden era of Disney Channel became known for its infectious music, themes of self-discovery, and iconic style—all of which continue to deeply resonate with millennial and Gen Z audiences. From the empowering anthems of **High School Musical** and the pop-rock vibes of **Camp Rock**, to the fierce “growl power” of **The Cheetah Girls** and the rebellious spirit of **Descendants**, DCOM: Live! celebrates the unforgettable music from the earliest fan favorites to the latest hits—**from Zenon to Zombies**—making it the ultimate throwback for Disney fans of all ages.

Our setlist includes music from:

Zenon | Hannah Montana | **The Jonas Brothers** | High School Musical | **Descendants**
Phineas and Ferb | **The Cheetah Girls** | The Proud Family | **That’s So Raven** | Camp Rock
Kim Possible | Teen Beach Movie | **Lizzie McGuire** | Jump In | **Zombies** & so many more!
