Amarillo by Morning is America's #1 tribute to the "country legend" George Strait. With hit songs like "All My Exes" and "Check Yes or No" and "Amarillo by Morning" this sold-out show replicates the sound, look and concert experience of George Strait.

Amarillo by Morning not only leads as the most attended tribute to the legend, with its authentic performance this show brings the talent, and the concert experience to the stage. Loaded with an audience full of cowboy boots, cowboy hats, and belt buckles the audience enjoys an unbelievable show dedicated to the country music legend they grew up to love.

"Rowdy McCarran"

Two times awarded "Best Country Artist" at the National Rodeo Finals and "Grammy Nominated" national recording artist. Rowdy can claim his devotion to country music at an early age. His passion for music is the desire to make a difference in people's lives mostly because he believes music touches the hearts of so many. Introduced to Nashville by Beach Boys producer Fred Vail, Rowdy's career has excelled by performing for fans across America creating a show that fans continue to rave about.
