### Important information regarding your Mix & Match ISA

At Charter Savings Bank we offer a Cash ISA platform called the Mix & Match ISA. This allows you to have more than one product within your Cash ISA with us.

With our Mix & Match ISA you don't have to put all of your annual allowance into one ISA product at the same time. The combined funds held for the current tax year must not exceed your annual allowance.

### Transfer authority (to be completed by the customer)

I authorise my existing ISA provider to transfer the Cash ISA (account number above) to Charter Savings Bank.

I authorise my existing ISA provider to provide Charter Savings Bank with any information about the Cash ISA and to accept any instructions from them relating to the Cash ISA being transferred.

Where I must give notice to close or transfer all or part of the existing Cash ISA, or the existing Cash ISA contains a fixed-term deposit that has not reached its maturity date, I instruct my existing Cash ISA provider to either (tick the appropriate box):

1. Wait for the full notice period to end or wait until the maturity date (whichever is relevant) before going ahead with this transfer.

**Please note:** Charter Savings Bank must have received funds within 30 days of you applying for the product and we will not accept any funds into a Fixed Rate Cash ISA after that date. We may return deposits and transfers received as a result without interest.

**OR**

2. Depending on the terms and conditions of my account, carry out the transfer as soon as possible. I will accept any consequential loss of interest or charges which may be applied.

**Important note:** We will not commence the transfer from your existing provider in to your Charter Savings Bank Cash ISA until your application has been accepted and your Welcome Letter has been posted to you.
