Unacceptable property criteria

Other:

- ▶ Ex-local authority flats or maisonettes.
- ▶ Any property affected by Japanese knotweed.
- ▶ Any property deemed in multiple occupation (HMO).
- ▶ Any property deemed unsuitable security by the valuer.
- ▶ Any property where there is ongoing movement/monitoring is required.
- ▶ Property where material environmental hazards are present.
- ▶ Property where saleability may be adversely affected by local planning or by an unsatisfactory mining search.
- ▶ We are unable to consider any property being purchased under any social housing schemes (e.g. Right to Buy, Shared Ownership, Key Worker, etc.).
- ▶ We will not lend where the property is affected by or within influencing distance of any significant factor which will have a negative impact on the property's value or re-saleability (e.g. overhead pylons, sub stations, etc).
- ▶ We are unable to lend where the property has been purchased from a company that the applicant has an interest in.

Restrictive covenants

We are unable to consider any property that may have a restricted occupancy clause within the planning permission, for example, it can only be occupied for a maximum of 11 months in any one year. Property with unrestricted occupancy can be considered provided our normal requirements are met.

Similarly, property that can only be used for retirement or sheltered accommodation is not accepted. This is the same for any property where a planning restriction (e.g. agricultural restriction) effectively limits a property's appeal on the open market.

Structural reports

Reports may be accepted from members of the following bodies:

- ▶ The Institution of Structural Engineers (www.istructe.org.uk)
- ▶ The Institution of Civil Engineers (www.ice.org.uk)

The report must be referred to the valuer for comment. If the report is not addressed to the applicant, written confirmation must be obtained from the originator that its contents may be relied upon by the applicant.

We will not lend on any property with either ongoing movement or where monitoring is required, where this is identified by either the valuer, or where evident in the structural engineer's report.

Specialist reports

We may require a specialist's report, specialist reports most commonly comprise of:

- ▶ Timber and damp, electrical, trees, cavity wall tie.
- ▶ Mining report.

Any such reports should be prepared by a reputable firm and should be forwarded to us for review and referral to the valuer.
