Allowable adverse

Precise Mortgages' residential products are tiered to meet individual credit profiles. The below provides information on the maximum allowable adverse allowed on our residential range.

Defaults: 5 in 24 months.

CCJ: 3 in 24 months.

Missed mortgage/secured loan arrears: Worst status 1 in 12 months and 3 in 36 months.

Unsecured arrears: Not counted but may affect customer's credit score.

Applicant must not have any defaults, CCJs or secured arrears recorded in the 3 months before application.

Debt Management Plans (DMPs): Active and satisfied DMPs accepted (please see our Residential Product Guide for further details).

Underwriting tips

We understand that not every application is straightforward and there may be additional information that could help us reach our lending decision. If you provide this information with the application we will be able to make a fuller assessment of the case and reduce the need to contact you with further questions.

Useful reminders

Use our Submission Guides to make sure you've got all the documentation we need before sending your case to us. By providing us with all documentation when submitting a case, you will reduce the time it takes to get to offer.

Our searchable Online Criteria Guide is available on our website to give you a quick and easy way to access our lending criteria.

Please refer to our residential product and criteria guides for more information.
