

Bridging Finance

Key information sheet

Our bridging products could offer a short term borrowing solution to customers who need to facilitate a deal on a fast turnaround. We can provide **Regulated Bridging Finance** options for customers who want to use their residential property as security to raise funds. Our **Non-Regulated Bridging Finance** could be the answer if your customer is an experienced property investor who wants to extend or improve their portfolio.

Products available for:

Standard bridging

Standard bridging is ideal for customers looking to secure the purchase or refinance of a residential or investment property including:

- ▶ Chain break - whilst waiting for an additional property sale
- ▶ Raising funds for short term requirements
- ▶ Auction purchase
- ▶ Capital raising for any legal purpose
- ▶ Meeting tight transaction deadlines

Light refurbishment

This is suitable for properties where:

- ▶ Building regulations are required.
- ▶ There is no change to the overall use/nature of the premises.

Examples of when Light Refurbishment bridging finance could be used are:

- ▶ Modernising properties
- ▶ Replacing kitchens and bathrooms
- ▶ Properties deemed uninhabitable/unlettable by long term lenders
- ▶ Completing a development that is wind and water tight

Heavy refurbishment

This is suitable for properties where:

- ▶ Planning permission is required.
- ▶ Works are being completed under Permitted Development Rights.
- ▶ There is a change to the overall use/nature of the premises.

Examples of when Heavy Refurbishment bridging finance could be used are:

- ▶ Conversion and reconfiguration of residential property
- ▶ Commercial to residential
- ▶ Extension, loft conversion and basement digs
