

Portfolio submission requirements

Non-portfolio Landlord - applicants have 3 or fewer mortgaged buy to let properties.

Portfolio Landlord - applicants have 4 or more mortgaged buy to let properties or 3 mortgaged buy to let properties plus at least 1 pending application with us.

We accept the required **portfolio information** on our forms, the landlord's forms or in any other format - there's no need to fill out the same information multiple times. Our **portfolio assessment** will remain **valid for 12 months**. This means that subject to confirmation the information we hold hasn't changed, on subsequent applications we won't need a new business plan, asset and liabilities statement or details of the portfolio. We will simply send you the information we hold on the portfolio for you to validate with your customer. This saves you and your customer valuable time.
