General information

For details of all our qualifying criteria please see our online criteria guide.

Affordability

ICR
Interest Coverage Ratio (ICR) will be calculated between 125%-160% dependant on the applicant's tax band and individual circumstances. Limited Company applications will be calculated at 125%.

Top slicing

The rental income for the property must be a minimum of 110% of the payment when calculated at the pay rate of the chosen product. Surplus income from an applicant's existing property portfolio (in the first instance) or surplus earned income can then be used to demonstrate affordability against the ICR required for the loan based on our current lending criteria at the assessment rate for the chosen product. Applicants in receipt of furlough income or income from the Self Employed Income Support Scheme (SEISS) are not eligible for top slicing. Not available to first-time buyers.

5 year+ fixed rate requirements

We've changed the way we underwrite applications for 5-year fixed rate mortgages to remove the additional documentation needed, making the process easier for you. For further details about these changes, [please read our blog](#).

Bank of England Base (BBR) Rate Trackers and the Reversion Rate

BBR Trackers and reversion rates are variable rates that are linked to the Bank of England base rate. For new applications, any change to BBR will apply on our systems and documentation the next day. For existing accounts, any change to BBR will apply on the day of the change.

All of our BBR tracker products have a floor. This means that if BBR were to fall to 0.00% or less the rate payable will be 0.00% plus the agreed set percentage above BBR. This means that the rate payable will never go below 0.00% plus the additional percentage rate of the tracker mortgage.

Our Packager Panel

You can submit a buy to let mortgage case to us direct or through one of our approved packagers, who are listed below. From time to time, select packagers will have access to exclusive residential and/or buy to let mortgage products.
