

Keeping you safe at Network HQ

As we gradually return to the office we're:

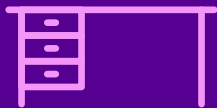

Limiting the number of people in the building

Maintaining 2m social distance

Leaving at least one desk free between workstations

Leaving end-of-row desks empty

Limiting people in public spaces like kitchens, toilets and lifts

Introducing a 'keep right' stair system with no stopping

Reminding everyone to wash their hands regularly

Making hand sanitiser available on every floor

Deep cleaning across the building regularly, including toilets, reception and lifts

To find out more about the actions we're taking to help keep Members, Partners and employees safe, go to the Help section of [uw.co.uk](https://www.uw.co.uk)
