

Press release
October 2018
London

Maistro PLC recognised for its position as a leader in forensic credit risk.

[Maistro PLC](#), the AI-powered, global B2B Marketplace for business services, has been recognised for its credit excellence and pioneering approach to supplier vetting, winning the 2018 CCR Interactive Risk, Data and Fraud Prevention award.

The Credit Excellence Awards, held in London on 12 October 2018, identified and rewarded exceptional best practice and behaviour within the credit industry. Maistro was recognised for its leading approach to mitigate risk and prevent fraud in the digital age.

Laurence Cook, CEO of Maistro PLC comments:

“Maistro is delighted to receive this award for its commitment to further improve the credit industry. Our vetting process has been four years in the making and it is fantastic to receive this recognition.

“In a world where maverick spend, price fixing and unmanaged contracts are an ongoing problem, effective supplier onboarding is critical. At Maistro we have worked tirelessly to understand and mitigate potential risk and fraud. Our systems and processes have been designed to meet the increasingly stringent compliance requirements of global supply chains.”
