

PEX Cookie Policy

PEX Software (developers of the screen this policy is linked from) use cookies only for the following purposes:

- To keep track of your login status, i.e.
 - ✓ when you logged in (to enable auto-logout after a period of inactivity – for security purposes),
 - ✓ if you are still logged in (so you can proceed with navigating subsequent screens relevant only to you)
 - ✓ if you log out / are inactive for a period (so we can securely close your session).
