We attended Library Carpentry, what next?

Janice Chan  
0000-0001-7300-3489

eResearch Australasia Conference 2018
Why Library Carpentry?

- Digital fluency/literacy
- Close the skill gaps
- We’re busy - Automate the boring tasks!
Library Carpentry

Library Hacky Hour
Who’s invited?

Endorsed by Library Management
Lightning talks, data chats

- GitLab for project incubation and management
- Using OpenRefine to retrieve Unpaywall data
- Formatting documents using markdown
- Using Pandoc to export markdown files
- Automate formatting of publications list using Microsoft mail merge
- After-hour access card metadata analysis using R
- Makerspace research project data collection and organisation
- Fast.ai machine learning course
- And more....
Possibilities are endless...
Thank you

Make tomorrow better.
