Policy Information

Cover is specified on either the 'Standard' or 'Longstay' or 'Longstay PLUS' policies for each passenger who is shown as having paid the insurance premiums and whose name is shown on the Schedule of Insurance.

In the event that **you** have paid for a **trip** on behalf of other individuals not insured on this policy please be advised that **your** policy only provides cover for **your** proportion of **trip** costs, as opposed to the amount **you** have paid on behalf of others.

Cancelling Your Policies

Your right to cancel the policy within 14 days of purchase - If this cover is not suitable for **you** and **you** want to cancel **your** policy, **you** must contact P J Hayman & Company Ltd by phoning 02392 419 011, emailing direct.sales@pjhayman.com or writing to P J Hayman & Company Ltd, Stansted House, Rowlands Castle, Hampshire PO9 6DX within 14 days of buying **your** policy or the date **you** receive **your** policy documents. A proportionate refund of the premium paid will be made to **you** from the date **we** cancel the policy.

Accurate and Relevant Information

You have a duty to take reasonable care to answer questions fully and accurately, and that any information **you** volunteer is not misleading. This applies both when **you** take the policy out and at any time during the policy period. If **you** do not do so, **we** reserve the right to void **your** policy from inception.

Your Policy Wordings

Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim, how to obtain legal advice (if **you** have 'Longstay' or 'Longstay PLUS' cover), and how to contact the 24 hour **assistance company**.

Your travel insurance policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for 365 days of the year. There is a maximum amount **you** can claim for each individual item. **Valuables** are not covered on the 'Standard' cover and on the 'Longstay' or 'Longstay PLUS' cover there is a maximum amount in total for **valuables** which is shown under the **personal possessions** section. Payments for **personal possessions** will be based on the value of the property at the time it was lost, stolen or damaged. An allowance may need to be made for wear, tear and loss of value depending on the age of the property.

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private facilities if we have confirmed that medically capable public facilities are available.

There is no cover for routine, non-emergency or elective treatment, or for treatment that can wait until **your** return home.

In some instances, **you** may need to be moved from one local facility to another larger/more specialised facility, for treatment.

Having travel insurance does not ensure a 'fast track' medical service from the treating facility, emergency rooms can be busy at certain times and so it is possible **you** may have to wait, unless **you** require critical care.

Once **you** are discharged from hospital this does not always mean **you** are 'fit to fly' home.

The policy is a contract between **us** and **you**. This policy will be governed by English law and **you**, the **insured persons** and **we** agree to submit to the courts of England and Wales to determine any dispute arising under or in connection with it, unless the relevant **insured person** resides in Scotland, Northern Ireland, the **Channel Islands** or the Isle of Man, in which case the law applicable to that jurisdiction will apply and its courts will have exclusive jurisdiction, unless agreed to the contrary by **you** and **us** before the date of issue of this policy.

The terms and conditions of this policy will only be available in English and all communication relating to this policy will be in English.

We and **you** do not intend any term of this contract to be enforceable by any third party pursuant to the Contracts (Rights of Third Parties) Act 1999.

We will pay for any insured event, as described in the policy, that happens during the period of validity and for which **you** have paid the appropriate premium.

Travel insurance policies have specific requirements for both purchasing and making successful claims. Please take the time to read and understand it straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered).

Your Excess

Your policy carries an excess and this is the amount **you** have to contribute towards each claim. All excesses shown for this policy are payable by each **insured-person**, per section and for each incident giving rise to a separate claim.

If **you** have paid the additional premium for Excess Waiver, the excess would be reduced to **Nil** in the event of a claim (the excess for Section C1 would still apply).

When Your Two Policies Start and End

The cover on cancellation (Policy A - Pre-travel policy), starts from the date the **trip** booking was made after the policy was issued and ends when **you** leave **home**. No further **trips** are covered.

The cover under all other sections (Policy B - Travel policy) starts when **you** commence **your trip** as shown on **your** Schedule of Insurance and ends when **you** complete **your trip**. Alternatively cover will cease on expiry of the policy, whichever is the first.

Extension of Period

In the event of **your** accidental death, injury or **illness** or that of anyone travelling with **you** or because of delay or failure of **public transport** services **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for **you** to complete the **trip**.

RETURN HOME COVER

Cover under Policy B, travel insurance, is extended to include 2 return **trips** to **your home country** for a period of up to 21 days per **trip** if buying the 'Standard' or 'Longstay' cover or 4 return **trips** to **your home country** for a period of up to 31 days per **trip** if buying the 'Longstay PLUS' cover.

When using the return **home** extension all cover is suspended on clearance of customs in **your home country** and restarts after the baggage check-in at **your international departure point** for **your return flight**, international train or ferry to **your** overseas destination. All cover ceases if **you** have made a claim or intend to make a claim under the Curtailment section.

Please note that no expenses for the return **trip home** or resumption of the **trip** are covered.

SPORTS & ACTIVITIES

Unlike other policies **we** cover many sports and activities as standard; no additional premium is required for activities listed in Activity Pack 1.

We have categorised the activities that are not covered as standard into 3 further bands. If **you** do not see **your** chosen activity, do not worry, **we** may cover it, but **you** must contact **us** so **we** can discuss the activity and what, if any, additional premium is necessary.

All of the activities are covered on a non-professional basis. **We** consider 'professional' to be activities/sports where **you** are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of £200. Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi - professional / paid / sponsored racing, timed events, professional, display events, photo shoots, etc...) will not be covered under this policy.

Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim.

If **your** chosen activity is not listed, please contact P J Hayman & Company Ltd* to ensure **you** are properly covered.

RECIPROCAL HEALTH ARRANGEMENTS

European Health Insurance Card (EHIC)/Global Health Insurance Card (GHIC)

The EHIC allows **you** to access state provided healthcare in all European Economic Area (EEA) countries and Switzerland. **Your** EHIC will be accepted for the remainder of its validity. From 4th January 2021, if **you** do not have a valid EHIC **you** will need to apply for a GHIC but please be aware that the GHIC does not cover Switzerland, Iceland, Liechtenstein or Norway.

For more information or to apply for **your** GHIC: online at www.dh.gov.uk/travellers or by telephoning **0845 606 2030**.

Presenting **your** EHIC/GHIC at a public medical facility will allow **you** to obtain treatment at a reduced cost and in many cases free of charge, provided **you** are a **UK** or **BFPO resident** (please note if **you** reside in the Isle of Man or the **Channel Islands** **you** are not eligible for an EHIC/GHIC). **You** must carry it with **you** when travelling abroad. Remember to check **your** EHIC/GHIC is still valid before **you** travel.

If **you** are travelling outside the EEA then there are some countries that have reciprocal agreements with the **UK** and these can be found on:

www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEACountries/Pages/Non-EEACountries.aspx

Medicare

If **you** are travelling to Australia **you** must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle **you** to reduced medical charges from **doctors**, reduced prescription charges and access to Medicare hospitals. For more information on Medicare visit:

www.medicareaustralia.gov.au or email: medicare@medicareaustralia.gov.au

Note: if **you** make use of these arrangements or any other reciprocal health arrangement which reduces **your** medical expenses, **you** will not have to pay an excess.

USA MEDICAL COSTS

Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. As this policy covers customary and reasonable medical expenses, **we** will not pay excessive or inflated charges for **your** treatment so it is important that **you** do not pay any medical providers up front, either at the time of **your** treatment or on **your** return to **your home country**. They may engage the services of collection agencies but any correspondence should simply be sent on to **us**, unanswered: there is no lawful action that can be taken which **we** cannot step in and take over on **your** behalf.

IN CASE OF A SERIOUS EMERGENCY

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating **doctor** to provide emergency treatment, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL US ON +44 (0) 1273 741 001

Whilst the actual medical care **you** receive is in the hands of the local **doctors** treating **you**, **we** can obtain the medical information **we** need from them to establish what is wrong, as well as their treatment and discharge plans. **We** can support **you** in the event **you** are admitted to a facility that may not be suitable for **your** clinical needs or where there are concerns over practice.

We will then advise on, and can put in place, suitable **repatriation** plans to get **you home** as soon as it is medically safe to do so. **We** will liaise with the treating **doctor** to get a 'fit to fly' certificate when needed, and with aero-medical experts who will advise on both the timing and method of **repatriation** that is best suited to **your** individual needs and **your** recovery.

IT IS IMPORTANT THAT YOU ARE AWARE OF THE FOLLOWING:

Medical Treatment

- There is no cover for:
 - routine, non-emergency or elective treatment;
 - or treatment that can wait until **you** return home.
- Our doctors** are not treating **you**; they are not responsible or in control of the clinical care **you** are receiving in a medical facility.
- In some instances, **you** may need to be moved from one local facility to another larger/more specialised facility, for treatment.
- Some medical facilities will raise charges that are far in excess of customary and reasonable; **we** will deal with such bills directly and there is no need for **you** to pay them. **You** simply need to pass any correspondence about such bills to **us** to ensure **we** can provide full financial protection.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS - emergency service rooms can be busy at certain times and so it is possible **you** may have to wait as **you** would in **your** local NHS hospital unless **you** require critical care.
- Once **you** are discharged from hospital this does not always mean **you** are 'fit to fly' **home** - for example, if **you** were in the **UK** and suffered the same injury/illness, then **you** would not consider flying out on holiday so soon after surgery/treatment/incident.

Repatriation (bringing **you** home)

- Coming **home** straight away is not always an option even if **you** are considered 'fit to fly' by the treating **doctor**.
- We** have a medical team with experience in aviation medicine who will advise on both the timing and method of **repatriation** which is best suited to **your** individual needs and **your** recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change – if **your** health, stability or vitals change – then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the **UK**, if treatment is not possible where they are.

In the event that you do receive out-patient treatment when you are travelling:

In European Union Countries – if **you** present yourself at a public facility **you** should show **your** EHIC/GHIC.

In Australia – **you** should enrol for Medicare, and have it accepted.

*Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and **your** standard policy excess will be waived from any claim **you** may make. If **you** are unable to use the EHIC/GHIC, **you** will have to pay the medical facility and submit a claim when **you** get **home**, the policy excess will then be applied.*

PLEASE NOTE: If the costs are likely to exceed **£500** or **you** are admitted to hospital, **you** should call **us** on **+44 (0) 1273 741 001**.
