

# 10-year guarantee on our designs

All the products detailed in the Andreu World price list, with the exception of fabrics, covers, textiles and materials owned by the client, are guaranteed for TEN years, as of the corresponding invoice date and under normal conditions of use and maintenance, against any defect in the materials and production processes that may affect the use of the same.

The guarantee does not cover damage caused by misuse, accidents, negligence, damage occasioned during transport or abuse. Similarly, this guarantee does not cover any defects or imperfections that may arise due to time or the wear occasioned by correct use.

For example, this guarantee does not cover the loss of color or color differences, changes in wood texture, scratches occasioned to the metal, polymers or woods due to use, upholstery wear due to stacking, etc.

The client is responsible for selecting the correct product for the desired application.

This constitutes the entire warranty and is in place of and in lieu of all other warranties of every kind whether implied or expressed, including, but not limited to, the warranty of fitness for a particular purpose or warranty of merchantability. The repair, replacement, or prorated rebate of the full purchase price constitutes the full liability of Andreu World and is the sole remedy of the Buyer. Andreu World assumes no liability for commercial loss or any consequential damages that may arise as a result of any product defect, fault, or delay.

This guarantee does not extend to fabrics, leathers, covers and materials not included in Andreu World's offering, the client's property purchased by Andreu World on behalf of the customer. For special client requested productions, whether they are modifications or new models, as well as for mechanisms, electrical components and models with natural wicker, the guarantee will be two years.

It is understood that these limitations of remedy and liability are part of the terms and conditions of the purchase of Andreu World products, and by placing an order the Buyer accepts these terms, conditions, and limitations.
