

Enjoy family time this Christmas at PortAventura World

- *From 25th November 2017 to 7th January 2018, PortAventura World will transform into a magical winter wonderland*
- *This will also be the first time visitors can experience Christmas at Ferrari Land*

PortAventura, 21 November 2017 – Christmas time is finally here, one of the most anticipated times of the year. From **25th November to 7th January**, PortAventura World will be transformed into a winter wonderland filled with life size decorations, twinkly lights, garlands, bells and Christmas fun for all the family.

Christmas time at PortAventura is perfect for people of all ages and a great place to enjoy Christmas together as one.

Child-friendly SésamoAventura will be decorated with festive gnomes, fairies and a whole host of magical creatures who will inhabit PortAventura Park over the festive period.

More than 100 fir trees will line the streets of PortAventura Park, complementing a spectacular **eight-metre-high tree in Ferrari Land**, themed with baubles and lights in the park's iconic colours. **This will be the first time visitors can experience Christmas at Ferrari Land.**

PortAventura World's attention to detail allows visitors to feel the true spirit of Christmas as they experience the resort. The streets and facades will be illuminated with cosy Christmas lights, garlands, bells and baubles with carols and traditional songs tinkling in the background. And of course it wouldn't be a real winter wonderland without an ice rink. This year's ice rink can be found **in México.**

Guests staying at PortAventura World hotels on **24th or 31st December** will be able to soak up the atmosphere and true spirit of Christmas. The **Christmas Eve holiday package is available from £144 per person** and the **New Year's Eve** package is **from £278 per person.**

Magic and fun for all the family

In addition to the decorations, PortAventura will host a wide range of shows to entertain the whole family. **Angels on Ice** will showcase a magnificent acrobatic show featuring international skaters and if you take your seats for **Winter Magic Bubblebou**, you will witness an alchemist unveiling his secret formulas for the perfect Christmas, in the form of thousands of coloured bubbles. It's truly magical!

Other surprises popping up around the park will be firework displays over the Mediterrània Lake to herald the arrival of the Three Wise Men and the Gran Teatro in China will be transformed into Santa's grotto.

In **PortAventura Christmas World** visitors can witness Santa's helpers making children toys to festive music and acrobatics, but it wouldn't be a traditional Christmas in the park without Bert, Ernie, Elmo and all their friends starring **iYa es Navidad en SésamoAventura!** We also can't forget Woody Woodpecker's very own musical and dance show, a family favourite.

There are meals and family dinners aplenty that can be enjoyed in the park's restaurants. Experience **La Gran Fiesta de la Navidad** in Mexico's La Cantina and **Posada de los Gnomos** in the restaurant **Emma's House**, where you can take part in engaging and interactive festivities.

Visitors paying attention on their travels round the park will come across magicians, fairies and fascinating creatures along the paths of **El Bosque Encantado** that lead to the home of Santa Claus. Hopefully they'll also be able to lend Joe the chimney sweep a hand in **Magic Christmas**, a show that comes all the way from the Far West. To complete a day full of fun, visitors can also enjoy the **Christmas Family Festival**.

To add the finishing touch to your Christmas adventure, the **Christmas Parade** will take over the main street with illuminated floats and on **4th and 5th January**, where Majesties the Magi of the East will be the stars of **La Cabalgada de los Reyes Magos**, waiting to greet the children, who can help guide them through the park.

Start 2018 surrounded by fun!

Guests staying in PortAventura World hotels will enjoy a very special delicious traditional dinner in the lively company of Christmas characters and, to welcome in 2018 on New Year's Eve, guests can celebrate with unforgettable chimes, a fireworks show and a great family party you won't want to miss!
