From **24 November, the start of the resort's Christmas season**, families can enjoy special and festive moments that will turn the park and hotels into a magical winter wonderland.

As part of an unforgettable experience, the park will be transformed with lights, decorations, garlands and glistening snowflakes, plus 300 Christmas trees. There will also be three large trees featured in Mediterrània, Far West and Hotel Gold River. The park will also host seasonal activities and entertainment that have been specially created for this time of year.

A range of leisure activities for the whole family

Tad, the Lost Explorer, will be a key attraction for Christmas 2018, who together with his inseparable family of **Mummies**, will delight fans in a passage full of adventures deep in the México jungles.

Visitors can embrace the Christmas spirit and enjoy themed shows, performances and **two ice skating rinks**. One ice rink will be an impressive stage where international ice-skating champions will perform and tell a magnificent artistic and acrobatic story, the other skating rink will be open to the public for visitors to show off their skills on the ice.

During this season, visitors can visit China's Gran Teatro Imperial which is a huge festive acrobatic show. In **Winter Magic Bubblebou**, an alchemist will unveil the formula for Christmas magic in the form of thousands of coloured bubbles – one not to be missed!

Children simply can't afford to miss the Christmas **Family Festival** in SésamoAventura which includes activities for the little ones, music, dances, surprises and lots of laughter. It wouldn't be Christmas without Bert, Ernie and the rest of their Sesame Street friends starring in their own incredible fun-filled SésamoAventura show that embodies the true meaning of Christmas. For yet another year, **El Bosque Encantado** will also lead the way to the home of Santa Claus on a path inhabited by wizards, fairies and other fascinating creatures.

The whole family will be able to attend a **grand closing parade** with amazing floats, music and traditional festive characters that pass through the main street of Mediterrània under never-ending snowfall, a first for PortAventura World.

Visitors who prefer a Wild Western-style Christmas are welcome to take a break in the restaurant, Emma's House. At this time of year, the restaurant becomes **La Posada de los Gnomos**, where visitors can watch unfold a beautiful Christmas story featuring these tiny little characters whilst enjoying a delicious meal.
