Parent/Carer Agreement

As the parent/carers of the pupil signing above, I grant permission for my child to use electronic mail and the Internet at school. I agree to help reinforce the issues contained in the Pupil Acceptable Internet Use agreement when my child uses the internet at home.

I understand that:

- Pupils will be held accountable for their own actions.
- They will follow the school rules for using the Internet to select, share and explore information and media.
- Despite filtering systems, some material on the Internet may be objectionable, so in the unlikely event of children viewing unsuitable materials at school, parents will be informed.
