## Our Curriculum Impact

As a school community, we will regularly reflect on our curriculum and school aims to ensure we are supporting the development of key skills and qualities. Our four curriculum drivers are essential when it comes to measuring the impact of our curriculum. The curriculum is designed to help our children develop the following by the time they leave us at the end of Year 6:

...have the capability to complete a task independently at home or in school without being reminded by someone to finish it
