

British Values

Mutual Respect and Tolerance towards others

In Year 1 we learnt the story of 'Zed the Zebra' and talked about how the other animals put up with Zed even though he was boastful and sometimes disrespectful. Although the other animals weren't as fast as Zed they all had their own qualities to be proud of.

We shared qualities and talent that we are proud of and made medals to wear.

It's about taking part and helping others.

Jack

The other animals were better at different things.

Miriam

It doesn't matter about which place you came in a race, it's just for fun. Grace

Everyone is different.

Inaua
