

Hambrook School Council 2016-17

What impact have we had on our
school environment?

- We have improved dinner times by encouraging better behaviour in the dining hall.
- We have introduced zones in the playground to give children a better choice of things to do at lunchtime.

Dining Hall

What was it like before?

- Very noisy
- It wasn't a very nice place to be
- Children threw food on the floor
- Hall was messy

How did we improve it?

- Dining hall rules
- Dining hall helpers
- Noise-o-meter
- Hands up for silence
- Sanctions
- Golden tickets
- Golden table

Playground zones

- We discussed in our classes which zones children would like in the playground
- We voted on whether we should have a football pitch because it took up a lot of the playground space, only a few people used it
- We came up with playground rules
- We decided on what was needed in the zones.
- Playground friends and Zone managers
