

Democracy

Year Six have been learning about democracy. The class shared their ideas about what democracy means to them and discussed what they understand about the political system within Britain. We examined how the system allows every person to voice their opinion on running the country.

It made me feel responsible
Max R

I'm part of decision making
Archie SM

It made me feel more mature
Isabel

I felt part of the community
Archie W

We held a simulated vote about homework. Representatives campaigned for their point of view and students voted for their choice. We adhered to strict polling station rules. Each student signed in and was allocated one vote. We even had booths for privacy and a ballot box to cast our votes into.
