Mutual Respect

Year 2 have been learning about mutual respect. We read the story of 'The Little Ugly Duckling' and shared thoughts about how the other animals treated the Ugly Duckling because he was different to the other ducklings. Here are some of the messages the children wrote to the Little Duckling.

Don't worry about what you look like, you are perfect just the way you are. **Amelia**

It is ok to be different!
Charlie

It doesn't matter if you are different to someone it's good to be different.

George

Despite your differences you can never be ugly and can never be too pretty!

Meisha

You are not ugly you are just different to the other ducks and I'm sorry that the animals laughed at you. **Harry**
