

Hambrook Primary School

School Aims

- To provide a rich, exciting and balanced, **curriculum** which is accessible, challenging and enjoyable for all pupils, enabling them to become **successful learners**.
- To achieve the **highest standards** possible in teaching and learning, giving the children the necessary **skills** to solve problems and gain **knowledge independently**.
- To provide highly **effective leadership**; cohesive, supportive **team work** and access to **CPD** for all.
- To provide a **safe and secure environment** that is encouraging and stimulating, which **motivates** every child to strive to reach his/her **full potential**.
- To build an open, understanding, **positive relationship** with pupils, parents, governors and the wider community and to encourage **all stakeholders** to become involved in school life.
- To encourage all children to have **respect** for, and make a positive contribution towards, other people, the school, the local environment and **sustainability**.
- To provide the children with the knowledge and skills required to make **healthy choices**.
- To nurture **high self-esteem** in all members of our community and pride in our work.
- To accept and **celebrate diversity** in our community and ensure we are truly **inclusive**, encouraging people from all groups to feel valued and respected at Hambrook School.
- To give good **value for money** through sound finance and a well-managed budget.
