

Hambrook Primary School

School Vision

Whole Child, Whole School, Whole Hearted.

Whole Child - Hambrook, a school dedicated to the development of the whole child, academically, socially, physically, spiritually and emotionally achieving his/her full potential through high quality education. Where all children are curious, questioning, self-motivating, independent, confident and healthy; who enjoy learning and take a pride in their work, and who, above all, are happy!

Whole School - Hambrook, a safe, inclusive community where we have a sense of belonging and responsibility for ourselves, other people and the world around us, locally and globally. A team, which includes staff, children, parents, carers, governors and the local community, that works together with respect, tolerance and care towards all others.

Whole Hearted - Hambrook, a school that is passionate about the well being and achievement of all the children in its community, which strives to ensure that **everyone** is challenged, supported and encouraged to achieve the highest standards possible.
