Notes:**Note 1 – Previously looked after children**

Previously looked after children (children who were looked after, but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order). You **must** provide evidence with your application that your child was previously looked after in the form of an adoption order, child arrangements order or special guardianship order if you want this to be taken into consideration when ranking your application.

Note 2 – Child's current address/moving address

Please give your child's current address. If you are planning to move house, please give the details of your future address and moving date, if known, on the application form. If you want your future address to be the one used to allocate a school place, you **must** attach written evidence that you are legally committed to this move. The evidence **must** be either proof of exchange of contracts or a signed letting/tenancy agreement confirming your new address, an assignment order that declares a relocation date and a unit postal address or quartering area address for a service child, or, for UK Service/returning Crown Servant families proof of the posting. **Please note that a sale memorandum or an unsigned tenancy agreement will not be accepted.**

Note 3 - Private fostering

If you are caring for someone else's child for more than 28 days, you do not have parental responsibility for them and you are not a relative such as a grandparent, brother, sister, uncle or aunt (whether full blood, half blood or by marriage or civil partnership) or step-parent, you may be private fostering. It is a legal requirement that you contact Suffolk County Council on 0808 800 4005 or email customer.first@suffolk.gov.uk.

Note 4 – Siblings

It is important that you provide this information because it can affect your child's priority or offer of a school place.

Note 5 – Reasons for preferences

You can add reasons for each of your preferences if you want to. However, we are only able to take these reasons into account if they have a direct bearing on how your application is ranked against the published oversubscription criteria.
