

School and Children's Centre Development Plan Key Priorities for 2018-2019

1	Continue to develop our engagement with parents through outings, their contributions to the nursery and to further build on home learning opportunities.
2	To continue to develop and embed the quality of teaching and learning in the 2 year old provision.
3	To further accelerate attainment and progress in Maths development with a particular focus on 'Number'.
4	To further develop our work in delivering quality provision which nurtures the necessary skills to access early phonics teaching.
5	To promote the importance of health and well-being through the physical literacy programme.
6	To further develop the provision in the Children's Centre, focusing on the universal stay and play offer and high quality interactions and support from practitioners based on their knowledge of families.
