

Dear parents: Fireworks Night is our busiest night of the year so please make sure you have tickets in advance. We have been asked by Ofsted and HMI to be part of a Pilot Ofsted Inspection for 2019. So on Friday two very senior Ofsted people will be in all day trialling a new Inspection Framework coming in from September 2019. It is an honour to be asked so I readily agreed. There will be no report but it should be an interesting experience more later. Rather a lot to do straight after half-term. Busy days indeed

R.I.P

Mrs Bernadette MacLaughlin. Buried on Tuesday of this week in Enfield. Lots of staff old and new in attendance in a packed church for a really loved person. She was a Reception class teacher when I first came here and she became an assistant head before she left to work in the private sector and become herself a headteacher. She never forgot us and in the last few years used to volunteer to help with readers in our infants. She fought with extraordinary courage a long illness and died peacefully at home aged 51. Love and deepest sympathy to husband James and her 3 children Ciaran, Rachel and Caitlin.

It is traditional in Thai funerals that as the bodies are being burnt and prayers have been said up comes the music and the Fireworks ... an amazing sight and a great way to remember someone. Will pay our own tribute tomorrow night to Vichai a kind and generous man R.I.Pbusy days ...weather supposed to be lovely tomorrow night.
