

**Dear parents:** .... A remarkable tradition has been maintained in the school in 2019. Since KS2 Sats have begun in the early 90s we have never had a single pupil miss a session or test in all that time. Remarkable. Well done to all of Year 6 in 2019 one pupil came in and was not well but really made the effort. Fire up the barbecue, chuck another veggie burger on and get the music started KS2 Sats are over. Meanwhile other tests carry on but most children don't even notice. Y6 also just been told their end of year play..well my dears it's "OLIVER".

**and finally** ... I never ever watched a single moment of the Jeremy Kyle show in its 14 year history and now really glad I didn't. Mind you I've never watched Game of Thrones or the Great British Bake Off either so ...a good weekend game to play is the top 3 TV shows you've never seen ..... Doris Day died at 97 remember her wonderful song in 1964 as a young child 'Move over Darling' just as the Beatles and the Rolling Stones were getting going. Look the song up on YouTube a classic of the early 60s ..... and a more innocent age. My book at the moment is about Pope Francis and his Herculean efforts to clean up corruption in the Vatican. We must pray for him as I had no idea of the extent of what he faces .... my highlight of the week Times Crossword I took 46 second off my personal best so now @ 3:28 ...minutes !!! ... not hours ...well pleased. ... and learned how to make the perfect boiled egg courtesy of Heston Blumenthal it's on YouTube and took me 3 goes to get it to perfection like his ... well done Year 6 once more proud of you all. On to Oliver and Fagin and MORE porridge ...
