

**Dear parents:** .... well done to our Year 6 for all taking part in the search for head boys and girls 2018. It started Monday with an application letter, then 20 questions on our school, then the last seven had a public speaking and this year singing task, finally, a tour of the school task, a short interview and a vote for the final 4. I must admit this year was the most enjoyable in years as everyone took part in good spirit there were surprises, some great laughs and some who got knocked out were then brought back in and afterwards all were provided with some pointers on how to improve for the next time. Building resilience and life skills in our pupils 2018 is so vital a role for school educators. Well done and the winners are ... all of Year 6 this year.

## Spanish word of the week is ....

**Escuela ..** please help your children and your own family as we all learn Spanish this year.

**New climbing frame in the Juniors, new Nursery entrance, new fishtanks, new angel fish Cook and Anderson vs India and incredible careers and 20 year old Osaka winning her first major in the US Open and being so cool and polite under pressure.**

**and finally ..** many thanks to the parent who sent the link for the new Wi Fi code at West Ham .. it's P4W0L4D0PTs0... think about it .... one of the joys of Summer is the chance to read and been recommending to Y6 the findings of Matthew Syed's book Black Box Thinking .... hugely recommended and also brilliant read is \*\*\*\* You Very Much by Danny Wallace about how devastating rudeness online and in real life can be to the human mind. A quite brilliant and funny book for our social media, populist, world going mad age. Please do have a read of it and you will never be rude to anyone again in your entire life ... enjoy the Bodyguard Sunday it's great !!
