

Dear parents: happy Friday the 13th !! ...not that I am superstitious or anything, touch wood. Great start to the day as Hackney sent us through the completed Performance Data for 2018-2019.

As well as Outstanding results for Early Years, Year 1 Phonics check and Year 4 tables check we now have all our completed data on KS1 and KS2. One very happy head. Top school in the borough for Maths, and third overall for Reading, Writing and Maths combined. Equally top results in Key Stage 1 and all other areas. Some schools do poorly in KS1 to show greater progress in KS2 but we don't game the system and try and do our best from the minute children come into the school. Tuesday and Wednesday was part of an Ofsted team to do the first inspection under the new Inspection Framework. All data on our website later today!!
