

Dear parents: Hope everyone enjoyed reading the wonderful RE report we received this week. These inspections happen every 5 years and to get Outstanding for every category in 2018 is some achievement. The criteria and standards to attain this are getting more and more challenging so a joy to read. Sats results are now all out and are equally strong in all areas from Reception, to Y1 phonics, to Y2 Sats to Y6 Sats. Especially good this year were our disadvantaged pupils 100% of whom reached the expected standard and also our exceeded were way above national. Classes for next year are below and great excitement Tuesday when they were announced. Thanks to the PA for the gifts of the Thesauri or Thesauruses (grammarians are split on which one). PS we are the top school in Hackney for spelling, punctuation and grammar with 100%. We say farewell after 11 years to Ms Natalie Mead one of our most popular members of staff in our early years who is moving to a new life in Hampshire. It's been a highly emotional week. Been a memorable heatwave / World Cup year with some different activities provided in school by the PA climbing and caving, circus skills etc so my thanks to them. Same to all staff who work so hard to make the school special. Have a lovely Summer and see you all refreshed and well in September. Be happy and keep smiling.
