

**Dear parents:** .... FISHEEEZ !!! ..... the joyful sound that started on Tuesday as children came into our Reception Year for the first time. Over the Summer we added a new cold water aquarium and the happiness they bring to the children in our main corridor is a joy to behold. Staff and parents find them quite captivating too. So ... welcome back after the Summer break. Very busy start as always to school life. No major dramas and everyone back safe and well. We welcome Ms Chiara Scarpini to our Nursery and hope she has many happy years with us. Lots of building work carried out and more to follow in October half-term. All dates given out and also I have just put them all on our website and calendar. Busy days ..have to dash our drains are blocked! Best wishes for the year ahead.

### New plans and old reminders ....

**First reminder is to GO WITH THE FLOW.**

**Very easy to remember just think:**

- 1. In one gate out another gate.**
- 2. Think of a one way street what direction should you drive in?**
- 3. How many legal entrances does a one way street have?**
- 4. In by Culford Gate out by Buckingham Gate.**
- 5. The clue is in the last word FLOW.**

**This benefits everybody and must be complied with at both the beginning and end of the school day.**

**and finally** .. great start to the year for West Ham. Spend £100 million pounds and now no wins from first 4 games but playing the West Ham way. i.e in a dogfight against relegation. Hasta la proxima semana ...till next week in Spanish sea feliz ...be
