These are the dates we have confirmed for the Autumn Term as of Tuesday 3rd September 2019.

These are now also on our website www.olsjschool.net shortly and will be added to as the term progresses.

There will be lots of excursions, visits etc to be added. This first term we are focussing on visits to museums, art galleries and places of cultural capital and historical interest in London.

These will all be either in the weekly Newsletter every Friday or sent via SMS text, or via your child in the form of a class letter.

Attendance at most events was really good last year and we would like to maintain this and in fact we always strive to be even better. For example during class assemblies almost all children had at least one parent there and then for the class visit afterwards where children share their work and classroom with you their parents.

We want you all to be actively involved in this school and the education of your child. If you would like to volunteer to help then opportunities will be announced shortly.

We ask you to commit to support and help maintain this school to be outstanding.

Wishing you all the very best for the year ahead,

Sean Flood (Headteacher)
