Freedom of Information

Date	Review Date	Coordinator	Nominated Governor
May 4 2018	May 4 2020	Theresa Garnett DPO	Susan MacFarland-Lyons & Paul Mokwenye

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Data Protection Act 1998
- Freedom of Information Act 2000
- Environmental Information Regulations 2004
- **Equality Act 2010**

The following documentation is also related to this policy:

- **Equality Act 2010: Advice for Schools (DfE)**
- **Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)**

We are aware that under the Freedom of Information Act 2000 (FOIA) we have a legal duty to supply certain information to enquirers and that we must be clear and proactive about the information we make public.

To do this we have in place a publication scheme that sets out:

- The classes of information we publish or intend to publish
- The manner in which the information will be published
- How to request information
- Payment for information

We are committed to the aims of the FOIA and the access provisions of the Data Protection Act 1998 by promoting an open transparent policy as we believe the public have a right to access the recorded information held by us.

We understand that recorded information held by us relates to the business of the School and includes information that is:

- created and held by us
- created by us but held by another organisation on our behalf
- held by us but relating to the Governor Body
- held by us but provided by third parties

We believe the FOIA will encourage greater openness and accountability in public authorities, help increase levels of public trust, encourage improvements in our interaction with the public and provide the public with information they require in order to participate in decision making.

Our Lady and St Joseph

We understand that the FOIA allows schools to withhold certain information which are listed under Absolute exemption and qualified exemption.

We are 'under a duty to provide advice and assistance to anyone requesting information and must respond to the enquiry promptly, and in any event, within 20 working days of receipt (not including school holidays)'.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
