

Dear parents: Last day tomorrow and parties all afternoon you can collect children from 2.00pm onwards tomorrow if you wish. If not they can stay until 3.30pm. Well done to all who put the Christmas Fayre together went very pleasantly and the Grotto was also perfect. Just finished the Good book assembly. Hard these days to find reasons to be cheerful looking towards 2019. The wonderful writer and playwright Robert Harris on Newsnight on Monday said it felt like 1914 when Europe just drifted towards war and nobody stopped the madness known as the Railway Timetables theory of history from the historian AJP Taylor. Reasons to be cheerful as I usually am.. well just read the prayer below and reflect on the Almighty. Hope you all enjoy wonderful Christmas and New Year with your families. Thanks for all you have done in 2018.

A happy, holy and healthy Christmas to every one of you. See you all January 7th 2019.

Prayer for Christmas and 2019

You created the sun, planets, moons and stars,
and everything that breathes to give you glory.

You are almighty and powerful yet you are as close to us
as our breath,

and you live within our hearts.

Inspire us more with your gentle Spirit and direction just
as you did the wise men who traveled far to see your glory
in the Christ child.

May God's love, found in the Trinity of Father, Son and
Spirit, always surround us on our journey.
