

Dear parents: Advent Sunday coming up, so it's full ahead for Christmas 2019. As I type Winter Wonderland is coming to OLSJ and will be fully in place in time for Friday's Christmas Fair. Going to be a big event this year with people working hard to make it a fun evening for the children and families. Please support in every way you can. Congratulations to Mr Josh Rook and his partner on the birth of their first child a healthy baby boy Marley. (Named after Bob!). We wish them all a wonderful first Christmas together. Magic life changing moments.
