Mobile Phone Safety & Acceptable Use

Date	Review Date	Coordinator	Nominated Governor
16/10/2020	16/10/2022	Mr Sean Flood	Mr Paul Mokwneye

We recognise personal communication through mobile technologies is an accepted part of everyday life and we acknowledge that we have a duty to ensure that mobile phones are used responsibly at this school.

We understand parents/carers give their children mobile phones to protect them from everyday risks involving personal security and safety and that it gives parents the reassurance that they can contact their child instantly.

We believe children should not bring their mobile phones into school without permission from the Headteacher as we feel that mobile phones can cause disruption in lessons, the possibility of theft, loss or damage and also the possibility of child protection issues. However if permission has been given then the phone must be handed into the school office on the arrival of the child to school. Parents will be contacted immediately if a child breaks this rule and will be asked to collect the mobile phone from the school office.

We believe parents and all school visitors have a responsibility not to use their mobile phones on school premises for the making or the receiving of phone calls and especially for the taking of photographs.

During the school day school personnel are restricted to using their mobile phones to break times and lunchtimes with their mobile phones being switched off during lesson times. Phones may only be used in the staffroom and never in classrooms or playgrounds. It is the responsibility of all school personnel to keep their own mobile phones securely stored.

We acknowledge cyber bullying is the use of a mobile phone or the internet to deliberately upset another person. We have a responsibility to ensure that cyber bullying does not take place in this school by ensuring pupils, school personnel and parents understand what it is and how it can be prevented. (See Anti-cyber Bullying Policy)

We acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

Aims

- To ensure mobile phones are not misused by pupils, school personnel, parents and school visitors.
- To ensure the safe and acceptable use of mobile phones.
