## R.I.P ....

It is with great sadness I report the death of Mrs Bernadette MacLaughlin. She was a Reception class teacher when I first came here and she became an assistant head before she left to work in the private sector and become herself a headteacher. She never forgot us and in the last few years used to volunteer to help with readers in our infants. She fought with extraordinary courage a long illness and died peacefully at home on Monday aged 51. Love and deepest sympathy to husband James and her 3 children Ciaran, Rachel and Caitlin.

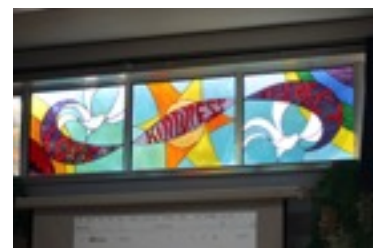

## Spanish word of the week is ....

**Vacaciones ..** please help your children and your own family as we all learn Spanish this year.

## Year 6 parents please note ...

**Closing date for secondary transfer is 31st of October and for Hackney residents it's tomorrow the 19th of October.**

**and finally** .. always love Harvest week and the last few years the weather has been lovely as well..... the joys of being a headteacher..on Friday after I had written the newsletter Mr Nick James and I spent the next hour hauling bucket after bucket of water from our boiler room water pouring in from the mains, one hour later our emergency plumber came ... joys of headship 2018. Be happy!
