
Academic Year 2016/17

Lanchester EP Primary School

Physical Education and School Sport

In our school, we highly value the importance of physical education. We believe it is important to create the right balance between participation, competition, skills and overall fitness to bring out the best in our children.

We are delighted to report that once again, we have achieved the Gold School Games Mark award for our commitment, engagement and delivery of competitive school sport in 2016/17

As a team we are always looking to improve and innovate in every field. Here is an evaluation of the impact that the School Sport Premium funding has had in five key areas.

1. Engagement of all pupils in regular Physical activity

- All children in Years 1 to 6 engage in 2 hours of curriculum P.E. per week.
- KS2 Children have access to at least one after school sports club every week for the whole year.
- KS1 Children have access to one after school sports club every week for 5 out of 6 half terms.
- Reception children have access to one after school sports club every week for 3 out of 6 half terms.
- This consistency is key to fostering our children's love of sport and sowing the seeds of life-long fitness.
- We have an SLA with St. Bede's P.E. Department which provides sporting opportunities for every child from Year 1 to 6 throughout the year.

Reception Class working with Consett Rugby Club.

Scaling the wall at PGL

2. The profile of P.E. and sport being raised across school

- Each week we celebrate sport across the school in our Achievement Assembly.
- We have a dedicated 'Fun and Fitness' week in school in the Summer Term.
- We hold Sports Days for every year group from Nursery to Year 6.
- We play an annual 'School House Games' tournament where every child in the school competes against their peers.
- We have guest speakers in school assemblies to inspire the children and to raise the profile of P.E. This has included Denise Lewis (Team GB Olympic Gold Medallist) via an online Skype chat and Dean Richards (Newcastle Falcons Head Coach / Former England and British Lions rugby player) who officially launched our 'School House Games' in 2016 in a whole school assembly.
- We celebrate the achievements of our children in their sporting adventures outside of school.

3. Up-skilling our staff in P.E.

- We arrange for external coaches to come into school to work alongside our own teachers to up-skill them. By the end of the coaching cycle, the teacher takes the lesson and is observed by the coach.
- Staff who receive this additional training share their new expertise in staff meetings which include theory and practical sessions.
- Our SLA allows us to send staff on courses to further up-skill them in P.E.
- Teachers work closely with the SLT who in turn liaise with our P.E. Link Governor about all developments in school.
- We will continually work to develop this.

4. Providing a broad experience of a range of sports (both curricular and extracurricular)

- Please see Section 1 for our extensive after school sports opportunities that we provide for our children
- The following is a list of sporting opportunities we have provided or plan to provide this academic year (not including extensive opportunities provided on residential visits): *Athletics, Rugby, Football, Swimming, Netball, Rounders, Cricket, Archery, Climbing, Forest Schools, Gymnastics, Karate, Fitness Club, Movement Club, Basketball.*

Tag Rugby Champions!

5. Increasing participation in competitive sport

- We pride ourselves on our participation levels in school in terms of entering teams into sports events, tournaments and festivals that are offered to us.
- This has increased each year over the last 3 years.
- We enter as many leagues and competitions as we can to give a large number of our children the opportunity to experience competitive sport, as well as attending festivals which involve a whole year group e.g. Y3 Mini-Tennis.
- We use coaches from local sports clubs with whom we have built very strong links. The aim of this is to encourage our children to join clubs and become part of life long sport. We have certainly seen this with an increasing number of our children now attending clubs on a weekend that we have made links with. These include: Consett Rugby Club, Consett Steelers Netball Club and SAFC.
- Our school was proud to receive the 'Gold Sports Mark' award in the summer of 2016. This award reflects the high emphasis we place upon P.E. and School Sport here at Lanchester EP.

Total Grant Awarded	£9,217	
Summary of Grant Spending		
Objective		
<ul style="list-style-type: none"> • To effectively use the Sports Grant to raise the profile and outcomes for children in P.E., Sport and physical activity across school • Engage all pupils in increased and regular physical participation • To up-skill staff expertise in the teaching of P.E. • To provide a broad experience of a range of sports • Increased participation in competitive sports • To develop an enjoyment of sport and physical activity
