

LANCHESTER E.P. (Cont.) PRIMARY SCHOOL

Year 6 Residential Visit to Ford Castle, Northumberland

The Year 6 children have the opportunity of going on a two-night residential to Ford Castle in Northumberland. This visit is taking place between Wednesday 26th February and Friday 28th February 2020. Ford Castle is a medieval castle set in the rolling countryside of Northumberland, with exciting activities hidden within the grounds. The unique setting allows children to stay in the castle, play in the grounds and learn outside the classroom. During their time here, they have the opportunity to take part in various activities including a Tour of the Castle (including the dungeons!), Potions Class, Knights Quest, CSI Ford, Grail Hunt and a wide variety of other outdoor activities including crate stacking, climbing and abseiling. This is always a great few days which enables the children to really enjoy spending time together as a class. Ford Castle is situated about 10 miles off the A1 very close to Holy Island and the Ford & Etal Railway. The children stay in the castle itself and it comes with a great reputation!

The cost of this visit is £135 and £70 for children eligible for Free School Meals. The cost of transport will be met by the school as we feel this is such an invaluable time for Year 6 to be together in their final year.

Please note – all deposits are non-refundable. All payments are to be made via ParentPay, unfortunately we are unable to accept cash payments for this residential.
