Tuesday

- Phonics: Learn the Jolly Phonics song and action for -ow by watching the video below. Please start the video at 0:20. The -ow sound that we are learning is -ow not -ou.

After you have learnt the song, please look at the -ow attachment. Sound out the pictures that you can see that all contain the -ow sound. (The words are cow, howl, down, owl, town). Then have a go at sounding out these words and writing them using your best Russell writing.

*Challenge: Can you write one of these words in a sentence? Remember to use the sounds that you can hear and use finger spaces.

- Maths: Please see below for the link to the White Rose Maths website. Please watch Video 1 and 2 and complete to corresponding 'Get the activity'. Each video is approximately 10 minutes long.
