This was our very first School Council meeting this year.

Each school council representative introduced themselves.

Mrs Thain explained the roles and responsibilities of being on the School Council.

Mrs Thain asked the School Council to think about anything they would like to focus on this year.

Mrs Thain explained to the Council they are going to be meeting with a person from the NSPCC on Monday.

Joseph and Evelyynn to be responsible for collecting everyone for meetings so we can start promptly.

All members to think about possible projects ready for next meeting.

Points for next meeting:

Feedback to Mrs Thain what happened at the NSPCC meeting.
