

FOREST CLUB

Do you love running around outside, den building, natural crafts, playing games, cooking on the campfire and learning about nature? If yes, then Forest School Club is for you!

Forest School is a programme of learning, designed to teach children about the outdoors, nature, trees and wildlife. It involves lots of practical activities such as den building, campfire cooking, natural crafts using tools and clay and much more. All the activities enable children to work collaboratively, to aid communication and self esteem and to have fun being outside.

The club is on Thursday 3.15 - 4.15pm
(There are 12 sessions beginning 13th September and ending 6th December)

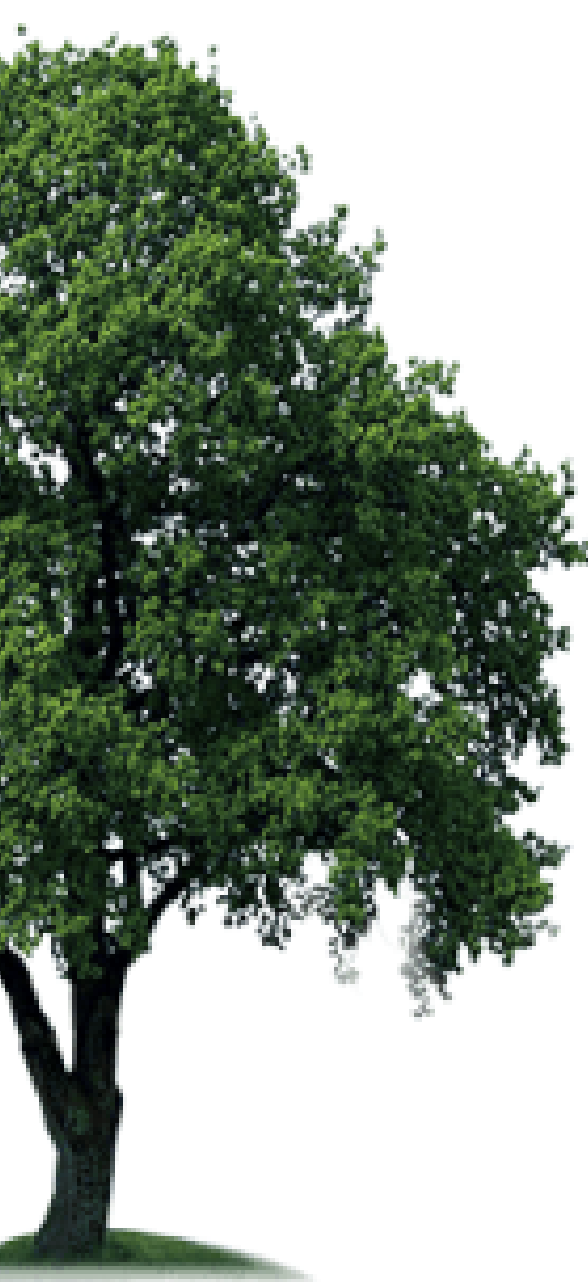

Cost: £72 per term (10% discount if booked by 23rd July 2018)

Your child MUST come dressed in clothes that are warm and comfortable and that your child can get muddy in! Forest School will take place outside whatever the weather (with the exception of dangerous weather conditions - very high winds or lightning) so old shoes/trainers, warm layers and waterproofs are a good idea.

Please sign the enclosed form and return it with your cheque to the school office.

Thanks you!

Marina Bye
Forest School Teacher (B. Ed. Hons Cantab. Forest school level 3)
