

The BIG Picture- Yr 2 Autumn 1

Our Island Home

ART/Design

We will be designing and making our own Tartan using paper weaving techniques and developing our sketching skills.

Maths

To develop understanding of place value – partitioning numbers in different ways.

Looking at number patterns involving counting in 2s, 3s, 5s and 10s.

Introduce the column method of addition – moving onto addition with re-grouping.

Developing ability in adding multiple numbers.

English

Our writing this half term is based on the book 'Grandad's Island'

Writing: sentence structure, use of conjunctions to join sentences, use of adjectives for description, commas in lists

Reading: to read for information in order to answer questions; to share and respond to the class novel and to continue to develop phonic skills and reading fluency.

We will also use the stories of Katie Morag – to support our Geography unit of work.

Jigsaw

'Being me in my world'

R.E. 'Beginnings' We will think about new beginnings and through the story of Creation think about how God is with us in all our beginnings.

TOPIC –

Geography- To have a sound knowledge of different continents and oceans and be able to locate them on a map. To know the countries that make up the UK and the seas surrounding it. To understand the differences between human and physical features and describe the differences between Poole and the Isle of Coll.
