Class News

Class Lynher - In science, we are learning life cycles of animals. We played rugby in PE and in RE we were looking at how Jesus was a good role model. We also made posters about our school values. By Alissa & Jan

Class Tamar - After 10 days, we have looked at the results of our egg enquiry. The results surprised us - the most damaging liquids were vinegar and orange juice. What surprised us the most was the damage caused by coca cola was only staining. This afternoon, Robby & Ruben's Dad from Torpoint Tigers are coming in to do a taster session. By Felix

Class Cremyll - We have been creating a story map for the events that happen in the 'Bog Baby' and then using this to put the story into our own meaningful sentences. In PE, we were continuing to learn about attack and defence and in Maths we have been looking at the properties of 2D and 3D shapes. By Macey-Jae & Oscar

Class Plym - We needed to help 'The Three Little Pigs' build new houses. Bricks were too expensive, so we investigated other materials to find out which could be strong and sturdy. We also learnt to measure and compare heights. By Henry & Joey
