## Important Information Regarding Food Allergies

Due to an incident at another school, Chartwells have revised their policy regarding food allergies. If your child has a food intolerance/allergy, you **MUST** provide a doctors letter confirming the details along with filling out a Chartwells form. If Chartwells do not have both of these things, you will have to provide a packed lunch for your child.

## Lost Football

A red, Russian World Cup football was left on the table during Film Club on Wednesday. It was still on the table when parents started to collect children from Film Club. Once all the children had gone, the ball was no longer there. If you know anything about this, please can you let us know. If it was inadvertently taken, please can it be returned.

**Class Lynher** - We have started to write our stories based on The Eye of the Wolf, replacing the wolf with a different character from the book. We have finished our dioramas for the exhibition. We have also decided what seasonal food we are going to make the parents at next week's exhibition. By Daisy & Harrison

**Class Tamar** - We have been drumming using the yoga balls, practising different rhythms whilst doing aerobic exercise. We will be turning our classroom into a rainforest biome for our weather exhibition. In PHSE we have been working in teams to complete jigsaws without talking. By Lauren & Ollie

**Class Cremyll** - This week, we have been looking at renewable energy such as solar and wind energy. In Digital Literacy, we learnt about our digital footprint. We also enjoyed pretending to be animals in gymnastics. By Charlie & Ethan

**Class Plym** - This week we made our own clever tricks for the enormous crocodile and planned out his nasty plans. We wrote amazing descriptions of our characters and the setting of our story. We have also planned and designed our wind turbine and discussed what renewable energy is. By Toby & Ebran

## Netball Tournament

We played 4 matches against local schools on Wednesday afternoon at Millbrook school. We came 3rd overall and were only one point away from being 2nd place. We all enjoyed the afternoon and were the second highest goal scorers. Well done to all involved and a big thank you to Stacey Livick and Debby Stacey for coaching the team.

## Fourlanesend 6 – 0 Upton Cross

We travelled for what seemed like weeks, lost in the wilds of deep, dark Cornwall; Nick was relentless in retelling his stories with such enthusiasm, I didn't like to tell him the kids were starting to fall into semi consciousness. Eventually we made it.

The pitch was not of Fourlanesend quality but the moles had been kind and built a lovely platform for Nick to survey the match and lift him to the heights of Mr Wilde's right bicep. Anyway.....

The guys were straight at it, Zach in the middle of the field breaking up opposition play with ferocious tackles. Jan, graceful on the ball, precise with his clever passing. Alissa and Daisy sharing the right wing, bringing a unique finesse to the team. Mani was hard working as usual with a couple of nifty runs.

Goal specialist, Oli T battled continuously getting his usual rewards.

James and then Ollie W had little to do in goal but maintained impressive concentration.

All our super subs were amazing as usual, Harrison, Tirian and goal scoring Corin.

MOM – Jack "Beanie" W, composed and creative performance.

With our 100% record, we expect record crowds and increased media attention for our next match at home on the 2nd of May to old rivals, St.Germans. See you there.
