5th April 2019

Message from Head teacher: A huge thank you for all your support this term, it has been very successful and we appreciate all your help. The effort for the Easter bonnets was amazing - very creative. The children have also enjoyed an egg hunt this afternoon. We were thrilled to be able to manage to walk down to the church before the rain started. Please remember, we don't come back until Wednesday 24th April. Have a restful holiday and happy Easter!

Due to an incident at another school, Chartwells have revised their policy regarding food allergies. If Chartwells do not have both of these things, you will have to provide a packed lunch for your child.

Black Prince Junior Town Crier Competition - Monday 6th May

There are two age groups for this—age 7-9 and 10-11. The competition is a special and fun part of the day. The winner in each group will receive a trophy, plus a certificate and a small gift. Each other competitor will receive a certificate and a packet of sweets. All entrants will be invited to walk in the parade with the visiting town criers if they want to. **If your child is interested in taking part in this fun competition, the town crier is coming into school the week beginning 29th April to coach the children.** He has offered the following advice: I ask you to limit their cry to a maximum of 50 words, including three OYEZ and GOD SAVE THE QUEEN, on the topic of 'I Love'. This can be anything - from their pet, member of their family, hobby, school to a type of shoe. *Example - OYEZ, OYEZ, OYEZ, I love my pet gerbil, who is called Naughty Nigel, because he escapes and makes a nest in my slippers. I love him because he is soft and cuddly and sits in my lap. GOD SAVE THE QUEEN.* (41 words).

Head Lice

There is a head lice issue again in school. Please can we ask that all parents/carers do a head lice check over the holidays and treat if necessary, to stop the spread of head lice.

Guitar Lessons

We have a qualified guitar instructor with excellent references able to offer guitar lessons for KS2. He can offer individual lessons, or in pairs. In order for him to be able to come in to school, he would need at least 7 children wanting to have lessons. If your child is interested, please let the office know ASAP.
