Message from Head teacher: We are thrilled to announce that with all your help and support last week we made a whopping £329.35 for Comic Relief. This is the most we have ever raised for this charity. We need to give a special mention to Piers for his wonderful, informative film which is on the home page of our website and explains the story behind our Comic Relief campaign. We have been overwhelmed with the press coverage. We weren't mentioned in The Sunday Times but they led with the story - Red nose plastic kicks up a stink. The school's initiative made impact nationwide - please see just a few of the messages below and there were so many more schools across the country that took on board our idea.

Red Nose Day

The total raised was £329.35 - this is amazing!
We have received numerous emails from
members of the public and other schools from
all over the country congratulating the children
on their idea:

'What a lovely story in tonight's news and it will
have tremendous spin-offs for the
environment too. Kindest regards from a
cyclist & public transport user from N. Staffs.'

'I wanted to congratulate you all on your
fantastic, ethical, recyclable attitude to Red
Nose Day. You deserve a great big round of
applause and I think it is fab Sir David
Attenborough has recognised that too. I'm just
an ordinary Mum and when I went into my
local Sainsburys and saw all that throwaway
Red Nose Day stuff it made me want to weep,
so I sent them a complaint email and got a
corporate reply too. Best wishes & you are all
superstars for your creative, fabulous ideas.'

Class News

Class Lynher - In groups, we have been
making 7 different biome dioramas to show
as part of our exhibition at the end of term.
We played and won our football match
against Pelynt. Year 5 enjoyed the Junior
Life Skills on Wednesday. We learnt about
railway & electricity safety, and other
important skills to keep us safe. By Mani &
Callum

Class Tamar - We have continued our
stormy seas pictures in the style of Turner
and worked on using impressive
description in our stories. We have been
drumming in PE and also developed a new
wake and shake routine. By Reece &
Helena

Class Cremyll - We designed wind
turbines and looked at how the weather
produces energy. We are drumming this
afternoon using yoga balls, combining
music with PE. We thought about what
makes our bodies healthy and how to stay
healthy everyday. We produced posters to
help remind us. By Viva & Caleb

Class Plym - This week we have been
role playing our story 'The Enormous
Crocodile' and adding speech for our
acting. We made stick puppet characters
for our role play and described what the
characters looked like. We learnt how to
use watercolours for our summer paintings
and used different sized brushes for
different effects. We also planned and
designed our wind turbines and will be
making these next week. By Marcus &
Eben

Head Lice

There is a head lice issue again in school,
particularly in Class Plym. Please can we
ask that all parents/carers do a head lice
check this weekend and treat if necessary,
to stop the spread of head lice. If we notice
your child has a persistent problem with
head lice, as part of our duty of care we will
approach you in confidence to support you
in resolving the issue.

Fourlanesend 5 – 2 Pelynt

What a game, what amazing players, what theatre, what an atmosphere!

The match kicked off with Pelynt demonstrating impressive waves of attack. Our young lions stood firm, brave & fearless under pressure. Jack and Harrison at the heart of the action; calm, resolute, assured.

Tirian justified his inclusion with a long range effort that reminded me of Jamie Vardy's goal of the season, unfortunately the easterly breeze pushed his shot just past top right.

You could feel the nervous tension in the crowd as the second half kicked off; fortunately a rapid manoeuvre by our illustrious strike force saw the net bulge, within seconds of kick off, we were ahead. One, Nil to the blacks..... well, pink and black, okay..... pinks.

The giants awoke! Jan, Mani & Oli were devastating in attack, tricky, slick and cool. Corin, sublime with fancy footwork.

Due to excitement overload, my memory of the goal scorers are blurred, but our champions were in blistering form.

Ollie W. made a late appearance (*one to watch).

Ending in a 5-2 victory, we look ahead to our next challenge.

MOM was Jimmy "Safe Hands" Saunders; mind blowing performance from one of the Rame Peninsula's future stars.
