Message from Head teacher: Redecorating the school - I'm in discussions with HMS Raleigh about using some of their recruits to paint the school (inside - classrooms etc), this way it will only cost us for the materials. The biggest issue will be getting enough rollers, paint trays, brushes, dust covers etc for them. Also, I haven't a clue about how much paint we will need! If you can help, can you let me know. The school could desperately do with freshening up. Thank you.

Dates For Your Diary

Betty Leith - Former Deputy Head
 We have received the sad news that our former Deputy Head, Betty Leith, has passed away, aged 93. She was Deputy Head teacher at Fourlanesend from 1965 until 1982. If anyone wishes to attend the cremation on Monday, her daughter Penny would be glad to see you. Should anyone want any more details, please contact us on the FOFLES Facebook page or ask at the office.

AFTER SCHOOL CLUB AT FOURLANESEND
 3:15pm-5:30pm
 Please contact the office to book a place for your child.
 Places **MUST** be booked at least 24hrs in advance.

St Piran's Day School Dinner Menu - Thursday 5th March

Traditional Steak Pasty or Cheese & Onion Pasty

~
 Heva Cake
 (Jacket Potato available on request).

World Book Day - Thursday 5th March

This year the classes have chosen to dress up as the following:

- Class Plym & Cremyll: a book character from a traditional fairy tale or story.
- Class Tamar & Lynher - Roald Dahl characters.

Please don't worry about spending money on costumes, the home made ones are always the best!

Children's Show at Millbrook Village Hall

Diggory Piper - The Worst Pirate Ever (followed by 1hr creative art workshop using recycled materials). Saturday 29th February, 3-4pm/workshop 4.15-5.15pm with free refreshments. Tickets £7 adult/£5 child/£19 family (suitable for age 3 upwards). Tickets available from Millbrook News or www.carnitocove.co.uk.

Valentine's Disco - Tonight (14th Feb) at Millbrook Football Club

5.30-7pm, £2 entry, all welcome. Children must be accompanied by an adult.

Easter Bonnets - Friday 27th March

Our Easter Bonnet theme for our Easter Celebration & parade on 27th March: each class has 'Positive Me' displays in their classroom, so in keeping with this, we are asking for bonnets that will 'make us smile'. As usual there will be prizes for the most creative bonnets in each class.

Class Lynher - We learnt how to say the time in French. We played dodgeball in PE as it was too wet outside to play basketball outside. We did a Science investigation about our pulse, and how much it increases during exercise. We are cooking and eating a vegetable stir fry this afternoon! By Harrison & Alanna

Class Tamar

We played dodgeball in PE which was good fun. We have been coding in computing and had to code angry birds to defeat the green pigs! Daya came in and taught us about Islam; we made chapattis which were delicious. We also got to wear traditional Indian clothing. In art, we used watercolours to paint a bowl of fruit in the style of Caravaggio. By Ashton, Lauren & Helena

Class Cremyll

Daya came in and we did some Indian cooking as well as learning Indian dancing whilst wearing traditional clothes. We continued RE by thinking about 'be my guest' and thought about giving up our favourite food so that someone else could have it. With Zoe, we practised our teamwork and had to build towers. The tallest tower that stood up the longest was the winning team. By Imogen & Riley

Class Plym

We have been working on our teambuilding in PE. We thought about how we made our honey buns last week and sequenced the steps in order. We then wrote a sentence about how we made them. We have also been thinking about one less, in maths. By Max

Interested in Judo?

Exciting new club opening in Antony, 19th February at the South East Cornwall Rural Business Centre. Former GB international Level 4 coach, highest quality technical training, modern dojo & facilities. Sessions are Monday & Thursday 5.30-6.30pm. First session is FREE. Find them on Facebook or contact 07800 569980.

Have you checked your SMART devices are safe?

Smart devices are the everyday items that connect to the internet – like speakers, security cameras or fitness trackers. If unprotected, smart devices can be hacked to put your data and privacy at risk.

In the most extreme situations, this could even leave the device brought into your home at the control of a hacker.

1. Use a strong password – change the password of any devices that come with a default password, set a new password if you're given the chance. Make sure you don't have passwords like '12345' or 'admin'

2. Turn on two-factor authentication (2FA) – such as using your phone to get a code. This is called two-factor authentication (2FA) – and you should set your settings to switch it 'on'. 2FA provides a way of 'double checking' that you really are the person you are claiming to be. It makes it much harder for criminals to access your online accounts, even if they know your password.

3. Always accept automatic updates – make sure all your devices, tablets, phones and laptops are set to automatically update their software

4. Perform a factory reset if returning / trading in – before you return your purchase or pass them on to somebody else, you should first perform a 'factory reset'.

Check your manufacturer's website if you need to find out how to perform a reset.

5. What to do if something goes wrong – if you think someone has malicious control of or access to a device in your home, you should perform a factory reset.

Check the National Cyber Centre's website for advice here

Have you heard of Yubo?

Formerly Yellow – Recommended Age 13+
 Has privacy and safety concerns. Yubo is a social media app for iOS and Android devices that lets users create a profile, share their location, and flip through images of other users in their area.

Safer Internet Day 2020 Top Tips for Parents and Carers

Safer Internet Day 2020 is being celebrated around the world on Tuesday 11th February 2020.

The global theme is 'together for a better internet', this year in the UK the focus is on how young people explore and express their identity online.

Everyone has their part to play in making the internet a better place, including parents and carers!

Tips and links below include some suggestions on how to get you started and help you to stay safe and positive online.

Help create an internet where we are:

1. Free to talk – Talk regularly with your child about how they use technology. Not sure where to begin? Have a look at the suggested 'Conversation Starters' for parents and carers

2. Free to explore differences – Talk to your child about being respectful to everyone online, and what to do if they feel their own identity is being targeted. Use the 'Quick Activities' as a family and unpick this topic together

3. Free to make the internet work for your family – There are lots of tools to help you manage the devices used by your family For advice and guidance on how to make use of parental controls and other safety features on devices, check the free Parents' Guide to Technology.

4. Free to get involved – As parents and carers, it's natural to feel worried about the risks posed by your child being online, but for young people the internet offers a wealth of exciting and fun ways to explore and experiment with their identity. Spend some time with your child looking at, or interacting with, the things they do online.

5. Free to seek help and support – Remember – you are the life experts. Find out how to get more support by visiting Children's 'Need Help?' page
 Watch the video here and find out how to talk to children about their online lives

Ofcom publishes Children and parents: Media use and attitudes report 2019

The latest report published by Ofcom identifies Popular platforms and activities:

- YouTube remains firm favourite among children aged 5-15 years
- Children's social media use is diversifying. WhatsApp in particular gains popularity, joining Facebook, Snapchat and Instagram
- Newer platforms such as TikTok and Twitch are gaining in popularity
- Girl gamers are on the increase
